

Federal Aviation Administration

Aviation Safety Program

Aviation Safety-Education Seminar

EA27FS91

When: May 16, 2001

Time: 7:00p.m. – 9:00p.m.

Where: Brandy Station Volunteer Fire Department, Business Rte. 29, Brandy Station, Virginia.

Directions: Take Rte. 29 off I-66 West at Gainesville exit. Continue on Rte. 29 past Remington and Elkwood. Exit at yellow caution light onto Rte. 663 at Brandy Station. Exit first right and follow the road. As it curves to the left look for fire station located on right hand side. Parking is located at the rear of the building. Call (540)825-8280 for further information.

PROGRAM: 'Sharing the Airport'. Safe operating practices to avoid conflict at a non-tower controlled airport; 'Aircraft Records'. Learn what records are recommended for pilots to determine aircraft airworthiness.

IMPORTANT NOTICE: This meeting meets one of the requirements of the Pilot Proficiency Award Program as outlined in AC 61.91H.
